

ADC Exported Constants

Analog watchdog - Analog
watchdog number

```
graph LR; A[Analog watchdog - Analog watchdog number] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. The box on the right is gray with a black border and contains the text 'Analog watchdog - Analog watchdog number' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the watchdog number to the exported constants.
