

ADC Exported Constants

ADC instance - Data
alignment

```
graph RL; A[ADC instance - Data alignment] --> B[ADC Exported Constants];
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'ADC instance - Data alignment'. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a flow or dependency from the instance to the constants.
