

ADC Exported Constants

ADC registers compliant
with specific purpose

```
graph LR; A[ADC registers compliant with specific purpose] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. The box on the right is gray with a black border and contains the text 'ADC registers compliant with specific purpose'. A black arrow points from the right box to the left box, indicating a relationship or flow from the registers to the constants.
