

ADC Exported Constants

ADC instance - Scan
selection

```
graph LR; A[ADC instance - Scan selection] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. The box on the right is gray with a black border and contains the text 'ADC instance - Scan selection' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship or flow from the instance selection to the exported constants.
