

ADC Exported Functions

```
graph RL; A[Configuration of ADC hierarchical scope: group regular] --> B[ADC Exported Functions];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'ADC Exported Functions'. The box on the right is gray with a black border and contains the text 'Configuration of ADC hierarchical scope: group regular'. A black arrow points from the right box to the left box, indicating a dependency or flow from the configuration to the functions.

Configuration of ADC
hierarchical scope:
group regular
