

ADC Exported Constants

ADC rank into regular
group

```
graph LR; A[ADC rank into regular group] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. The box on the right is gray with a black border and contains the text 'ADC rank into regular group' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the rank group to the exported constants.
