

ADCEx Exported Functions

Extended Peripheral
Control functions

```
graph LR; A[Extended Peripheral Control functions] --> B[ADCEx Exported Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADCEx Exported Functions'. The box on the right is gray with a black border and contains the text 'Extended Peripheral Control functions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the extended functions to the exported functions.
