

ADCEX Exported Constants

ADCEX External trigger
selection for injected group

```
graph RL; A[ADCEX External trigger selection for injected group] --> B[ADCEX Exported Constants];
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'ADCEX External trigger selection for injected group'. The box on the left is white with a black border and contains the text 'ADCEX Exported Constants'. A black arrow points from the right box to the left box, indicating a dependency or relationship between the two.
