

DMA Exported Constants

DMA interrupt enable
definitions

```
graph LR; A[DMA interrupt enable definitions] --> B[DMA Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'DMA Exported Constants'. The box on the right is gray with a black border and contains the text 'DMA interrupt enable definitions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the definitions are used to define the constants.
