

EXTI Exported Constants

```
graph RL; LINE[LINE] --> EXTI[EXTI Exported Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'EXTI Exported Constants'. The box on the right is gray with a black border and contains the text 'LINE'. A black arrow points from the 'LINE' box to the 'EXTI Exported Constants' box.
