

EXTI Exported Functions

Software_Interrupt
_Management

```
graph LR; A[Software_Interrupt_Management] --> B[EXTI Exported Functions];
```

The diagram consists of two rectangular boxes. The box on the left is white with a thin black border and contains the text 'EXTI Exported Functions'. The box on the right is gray with a thin black border and contains the text 'Software_Interrupt' on the top line and '_Management' on the bottom line. A solid black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from the software interrupt management module to the EXTI exported functions.
