

EXTI Exported Macros

Common Write and read
registers Macros

```
graph RL; A[Common Write and read registers Macros] --> B[EXTI Exported Macros];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Common Write and read registers Macros'. The box on the left is white with a black border and contains the text 'EXTI Exported Macros'. The arrow indicates that the macros in the left box depend on or are derived from the macros in the right box.
