

FLASH Constants

```
graph LR; A[Interrupt definition] --> B[FLASH Constants]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a dark border and contains the text 'FLASH Constants'. The box on the right is gray with a dark border and contains the text 'Interrupt definition'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the interrupt definition affects the flash constants.

Interrupt definition
