

I2C Exported Macros

Common Write and read
registers Macros

```
graph RL; A[Common Write and read registers Macros] --> B[I2C Exported Macros];
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'Common Write and read registers Macros'. The box on the left is white with a black border and contains the text 'I2C Exported Macros'. A black arrow points from the right box to the left box, indicating a dependency or relationship between the two macro sets.
