

RCC Exported Functions

```
graph LR; A[Initialization and de-initialization functions] --> B[RCC Exported Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RCC Exported Functions'. The box on the right is gray with a black border and contains the text 'Initialization and de-initialization functions'. A black arrow points from the right box to the left box, indicating a relationship or flow from the initialization functions to the exported functions.

Initialization and
de-initialization functions
