

RCC Exported Constants

Peripheral ADC clock
source selection

```
graph LR; A[Peripheral ADC clock source selection] --> B[RCC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RCC Exported Constants'. The box on the right is gray with a black border and contains the text 'Peripheral ADC clock source selection' on two lines. A black arrow points from the right side of the gray box to the left side of the white box.
