

RCC Exported Constants

RTC clock source selection

```
graph LR; A[RTC clock source selection] --> B[RCC Exported Constants]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'RCC Exported Constants'. The box on the right is gray with a black border and contains the text 'RTC clock source selection'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the RTC clock source selection affects the RCC Exported Constants.
