

Stm32f1xx_system

STM32F1xx_System_Private
_Defines

```
graph RL; A[STM32F1xx_System_Private_Defines] --> B[Stm32f1xx_system];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'STM32F1xx_System_Private' on the top line and '_Defines' on the bottom line. The box on the left is white with a black border and contains the text 'Stm32f1xx_system'.
