

TIM Exported Constants

```
graph RL; A[External Trigger Filter] --> B[TIM Exported Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. The box on the right is gray with a black border and contains the text 'External Trigger Filter'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from the filter to the constants.

External Trigger Filter
