

TIM Exported Constants

Output Configuration
Idle State

```
graph LR; A[Output Configuration Idle State] --> B[TIM Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'Output Configuration Idle State'. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the state to the constants.
