

TIM Exported Constants

Output Configuration
Polarity

```
graph RL; A[Output Configuration Polarity] --> B[TIM Exported Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Output Configuration Polarity'. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box.
