

TIM Exported Functions

Counter clock selection

```
graph RL; A[Counter clock selection] --> B[TIM Exported Functions];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a dark border and contains the text 'TIM Exported Functions'. The box on the right is gray with a dark border and contains the text 'Counter clock selection'. A black arrow points from the right box to the left box, indicating a dependency or relationship where the counter clock selection affects the TIM exported functions.
