

TIM Exported Functions

Timer synchronisation
configuration

```
graph RL; A[Timer synchronisation configuration] --> B[TIM Exported Functions];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is shaded gray and contains the text 'Timer synchronisation configuration'. The box on the left is white with a black border and contains the text 'TIM Exported Functions'. A black arrow points from the right box to the left box, indicating a dependency or flow from the configuration to the functions.
