

UART Exported Constants

UART LIN Break Detection
Length

```
graph LR; A[UART LIN Break Detection Length] --> B[UART Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'UART Exported Constants'. The box on the right is gray with a black border and contains the text 'UART LIN Break Detection Length' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the specific constant to the set of exported constants.
