

USART Exported Constants

LIN Break Detection
Length

```
graph LR; A[USART Exported Constants] --> B[LIN Break Detection Length]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'USART Exported Constants'. The box on the right is gray with a black border and contains the text 'LIN Break Detection Length' on two lines. A black arrow points from the right side of the white box to the left side of the gray box, indicating a relationship or dependency from the constants to the detection length.
