

USART Exported Functions

```
graph LR; A[Configuration functions related to Half Duplex feature] --> B[USART Exported Functions]
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text "USART Exported Functions". The box on the right is gray with a black border and contains the text "Configuration functions related to Half Duplex feature". A black arrow points from the right box to the left box, indicating a relationship or dependency.
