USART Private Constants

```
graph RL; A[USART Private Constants] --> B[USART];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'USART'. The box on the right is gray with a black border and contains the text 'USART Private Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from the private constants to the USART module.
