

HAL_PCD_DataInStageCallback

```
graph LR; A[HAL_PCD_DataInStageCallback] --> B[USBD_LL_DataInStage]; B --> B;
```

The diagram illustrates a callout mechanism. A light blue rectangular box on the left contains the text 'HAL_PCD_DataInStageCallback'. A straight blue arrow points from the right side of this box to a dark gray rectangular box on the right containing the text 'USBD_LL_DataInStage'. Above the dark gray box, a curved blue arrow starts from its left side and points back to its right side, indicating a self-callout or a loop.
