

HAL_PCD_ISOINIncompleteCallback

```
graph LR; A[HAL_PCD_ISOINIncompleteCallback] --> B[USBD_LL_IsoINIncomplete]; B --> B;
```

The diagram illustrates a callout mechanism. A light gray box on the left, labeled 'HAL_PCD_ISOINIncompleteCallback', has a blue arrow pointing to a darker gray box on the right, labeled 'USBD_LL_IsoINIncomplete'. The right box also features a blue curved arrow pointing back to itself, indicating a self-callout or a loop.
