

USBD_CORE

USBD_CORE_Private_TypesDefinitions

```
graph LR; A[USBD_CORE_Private_TypesDefinitions] --> B[USBD_CORE]
```

The diagram illustrates a dependency relationship between two modules. On the right, a gray rectangular box contains the text "USBD_CORE_Private_TypesDefinitions". A horizontal arrow points from this box to the left, where a white rectangular box contains the text "USBD_CORE". This indicates that the "USBD_CORE" module depends on the "USBD_CORE_Private_TypesDefinitions" module.
